

Welcome to Boerne's Public Art

Be a part of the art!

Enjoy Art al Fresco, Boerne's walkable art adventure, where you can get up close and personal with large-scale sculptures placed throughout the historic Hill Country Mile, Boerne's trail systems, library and more. Unlike a traditional gallery, we encourage guests to touch and take photos with the sculptures, and challenge you to learn something new about the various mediums, shapes and inspiration behind the art.

About Boerne's Permanent Collection

To fulfill its 5-year plan to grow its permanent art collection, the City of Boerne has chosen to purchase several new sculptures featured in the Art al Fresco competition. Since 2016, seven new sculptures have found forever homes around town, creating a Texas-size exhibit that will enchant locals and visitors for years to come.

Other new additions have come through partnerships with and gifts to the City.
